## PROFESSIONAL SUMMARY

### PROFESSIONAL EXPERIENCE

**Junior Web Developer & Designer** | Freelance / Self-Employed Jan 2025 – Present

- Developed and launched 5+ responsive web pages using HTML and CSS, ensuring mobile-first compatibility.
- Designed custom icon sets for local businesses to improve their brand identity and UI navigation.
- Reduced page load times by optimizing images and writing clean, efficient code.
- Managed end-to-end project lifecycles, from initial design concepts to final website hosting.

### OBJECTIVE

A creative and highly motivated **Web Developer and Icon Designer** with 1 year of experience. Specialized in building clean, responsive websites using **HTML5** and **CSS3**, and designing unique visual assets. Looking to contribute my technical skills and design creativity to a professional team
